## A New Multidisciplinary Advanced Education in Healthcare Valuation Program

ASA's Multidisciplinary Advanced Education in Healthcare Valuation Program was developed under the auspices of ASA's **Healthcare Special Interest Group (HSIG)**, a subcommittee of ASA's International Education Committee, and approved by ASA's International Board of Governors in January 2012. HSIG subcommittee members include: Robert James Cimas, ASA, (Chair); Ernest A. Demba, FASA; Edward G. Detwiler, ASA; Claire H. Donias, FASA; Jason Ruchaber, ASA, Sandra J. Tropper, ASA and Charles A. Wilhoite, ASA.

The **American Society of Appraisers** is a world renowned and respected international organization devoted to the appraisal profession. As the oldest and only major appraisal organization representing all appraisal specialists, ASA is devoted to providing the highest possible standards in all areas of ethics, professionalism, education and designation criteria.

Your partner for **success**

The program consists of **four webinar course sessions** and **one two-day, in-person course session**
